

**California Department of Housing and Community
Development
Notice of Public Workshop and Agenda
Regarding: Proposed Building Standards Relating to
the California Residential Code**

The Department of Housing and Community Development is developing building standards related to the 2004 California Residential Code (CRC). The 2003 International Residential Code published by the International Codes Council (ICC) is proposed as the base document referenced by the California Residential Code. A public workshop on this project will be held on **July 16, 2004**, at the following location:

1800 Third Street, Room 183/185
Sacramento, California
9:00 am – 1:00 pm

Please respond to the contact person listed below no later than **July 14, 2004**, to advise if you would like a copy of the proposed amendments to the 2003 IRC in paper format or if you have any questions. The draft CRC document is currently available on our website in PDF format at <http://www.hcd.ca.gov/codes/shl/>.
